

Dear Parent

- What is your New Year's Resolution
- Could it be to make a difference in 2015
- Would you be able to Foster a child/young person?

Archway Care are a local Independent Fostering Agency offering high quality placements to children/young people in the Norfolk, Suffolk and Cambridgeshire areas.

We are looking for Foster Carers who can offer a home to a vulnerable child/young person on a short and long term basis. We are also looking for Foster Carers who could commit to a child/young person on a respite/shared care basis – this is where a child/young person is still living at home, but the family need support to keep the family 'together' so would involve weekend and school holiday fostering.

To become a Foster Carer you will need to be willing to work with vulnerable children/young people, have a spare room available, and be able to work as part of a Team. In return Archway Care offer:-

- 24/7 Support and Supervision
- An excellent Training Programme
- A generous financial package.

If you would like to find out more about Fostering for Archway Care please do not hesitate to call us on 0800 587 3129, or visit our Website on WWW.Archwaycare.co.uk

Yours sincerely
