

Log on Instructions for Students

1. Go to the Thomas Clarkson Academy website (www.thomasclarksonacademy.org) and look for quick links on the right hand side of the screen and select RM Unify

2. You will be taken to the RM unify log in page. To log in type in your username with @tca on the end of it.
 - a. Your username is your first initial, your surname and the year you would have started in year 7.
 - b. Example: Joe Bloggs who is Year 8 would be jbloggs2018@tca
3. You should know your password, if you do not and cannot log in please click the forgotten password link and follow the instructions

4. Once logged in to RM unify you will see a series of tiles, Microsoft teams is the platform we will use to post resources for learning at home and you can communicate with teachers from here.
